HCC248 - COURSE MAP AND DETAILS

Course description

The start and finish is at the northern corner of the unnamed lane and the B4000.

START on the minor 'un-named' lane, by the HQ, 3 yards before the junction with the B4000.
TURN left onto the B4000 and proceed through Wickham Heath to the junction with the A338.

TURN left onto the A338, going straight across the roundabout under the M4.

TURN left at the cross roads in **Hungerford Newtown** onto Radley Bottom, unclassified road - make sure you slow down enough to make the turn at the Tally Ho Pub as the approach is typically fast. **Continue** to the junction with the A4.

TURN left onto the A4. Note; there is gravel at the T junction with the A4 so care will be needed. **CONTINUE** to the roundabout at the junction with the B4000.

TAKE THE FIRST EXIT onto the B4000 and continue to a point 10 yards before the junction with the 'un-named' road where **FINISH**.
