Before participating in any event promoted by Newbury Road Club (hereinafter referred to as 'The Club'), any person that is not already a member of The Club or another appropriately affiliated club must first complete and sign a membership form. The form must be accepted by an official of The Club after which that person will be regarded as a member of The Club and eligible to ride up to two Club time trials and up to two Club rides within a 1 month period, free of membership costs (event entry costs will still be payable). After one month, the prospective member must choose either to join The Club and pay the appropriate membership fee or cease association with The Club. Should that person decide at a later date that they wish to join The Club, or participate in club activities, membership fees will be immediately payable in full together with a new membership proposal before any such participation shall be allowed.
