

NRC Special Ride Events Schedule 2022

Month	Day	Date	Title	Description
May	Sunday	22nd	The Dean 200	This is an ultra-challenge of 200 miles and will follow the same course as last year. It starts and ends in Newbury with a trip into the Forest of Dean returning via Chepstow and the old Severn Bridge. It will be a very early start (05:30) to make sure it can be completed before it gets too late. A good tester for those that do the 300k Audaxes. Always best to attach lights just in case. If the weather postpones this event, it will be rescheduled a week later for the 22 nd .
